ClearZal® Foot Food 3.4oz Tube / 25oz Pump

Item Code: DD 620 FF
Item Code: DD 625 SS

ClearZal® Foot Food is an advanced Urea- and Aloe Vera-based foot cream designed to hydrate, soften, and repair dry, cracked, or rough skin on the feet.

Enriched with natural botanicals like Rosemary, Lavender, and Thyme, as well as skin-conditioning ingredients like Vitamin A, this fast-absorbing, non-greasy cream works deeply to restore moisture, improve texture, and protect skin long-term.

Ideal for anyone suffering from dry heels, calluses, or rough patches, ClearZal® Foot Food leaves your feet feeling smooth, nourished, and revitalized with every use.

Key Benefits

Deep Hydration & Moisture Retention

- Urea, a powerful humectant, draws moisture deep into the skin, helping to soften tough, dry areas like heels and calluses.
- Aloe Vera and glycerin further support hydration by soothing and conditioning the skin.

Softens Rough, Cracked Skin

- Helps repair cracked heels and eliminate dry, flaky skin.
- Leaves feet feeling noticeably smoother and supple after regular use.

Nourishes & Calms Irritated Skin

- Vitamin A and botanical extracts such as Rosemary, Lavender, and Thyme offer antioxidant, anti-inflammatory, and antimicrobial benefits.
- Helps calm redness, reduce irritation, and protect against environmental stressors.

Fast-Absorbing, Non-Greasy Formula

- Lightweight texture absorbs quickly, leaving no greasy residue—perfect for day or night use, even under socks or shoes.

Multi-Purpose Use

- While specially formulated for feet, this cream is also ideal for other dry, problem areas like elbows, knees, and hands.

Ideal for Regular Use & Preventive Care

- Daily use prevents dryness from returning and creates a protective barrier to keep skin hydrated and resilient.

How to Use

1. Clean & Exfoliate (Optional):
   For best results, gently exfoliate the feet to remove dead skin and allow better absorption.
2. Apply Generously:
   Massage a small amount of cream onto clean, dry feet, focusing on dry, rough, or cracked areas.
3. Optional – Wear Socks:
   To lock in moisture, especially overnight, wear a pair of breathable cotton socks after application.
4. Use Regularly:
   Apply daily or as needed to maintain soft, healthy feet and prevent future dryness.

Safety & Precautions

- For external use only.
- Do not apply to open wounds or broken skin.
- Store in a cool, dry place, away from direct sunlight.
